Draft decision submitted by the President of the General Assembly*

United Nations Pledging Conference for Development Activities

The General Assembly, recalling its resolution [45/215](#) of 21 December 1990, in which it decided that the United Nations Pledging Conference for Development Activities would continue to be convened early in November, noting that currently there are certain limitations in place on the use of the United Nations premises as precautionary measures aimed at containing the spread of the coronavirus disease (COVID-19), and reaffirming its resolution [74/303](#) of 4 September 2020, in which it underlined the need to further enhance the role, authority, effectiveness and efficiency of the General Assembly to address the evolving global challenges, decides to postpone the Pledging Conference to early 2021.

In order for the General Assembly to take action on the present proposal, it will be necessary to consider agenda item 25 directly in plenary meeting.
