Note by the President of the Security Council

1. Further to the measures contained in the note by the President of the Security Council of 26 July 2010 (S/2010/507) and in an effort to enhance the efficiency and transparency of the Council's work as well as interaction and dialogue among Council members, the members of the Council have agreed on the following.

Chairpersons of subsidiary organs

2. The members of the Security Council support an informal process with the participation of all Council members as regards appointing the Chairpersons of the subsidiary organs from among Council members in a balanced, transparent, efficient and inclusive way, which facilitates an exchange of information related to the work of the subsidiary organs involved.

3. To this end, the members of the Security Council should also consult informally with newly elected members soon after their election on the appointment of the Chairpersons of the subsidiary organs for the following year.
