resolution [1591 \(2005\)](#) concerning the Sudan

Report of the Security Council Committee established pursuant to resolution [1591 \(2005\)](#) concerning the Sudan

I. Introduction

1. The present report of the Security Council Committee established pursuant to resolution [1591 \(2005\)](#) concerning the Sudan covers the period from 1 January to 31 December 2017.
2. The Bureau of the Committee consisted of Volodymyr Yelchenko (Ukraine) as Chair and the representatives of Italy and Senegal as Vice-Chairs.

II. Background

3. By its resolution [1556 \(2004\)](#), the Security Council imposed an arms embargo on all non-governmental entities and individuals, including the Janjaweed, operating in the States of North Darfur, South Darfur and West Darfur in the Sudan. By its resolution [1591 \(2005\)](#), the Council broadened the scope of the arms embargo to include all parties to the N'Djamena Ceasefire Agreement and any other belligerents in those States (subsequently confirmed, in resolution [2035 \(2012\)](#), to also include the new States of East and Central Darfur). Exemptions to the measures were also included.
4. By its resolution [1591 \(2005\)](#), the Security Council also established a committee to monitor the implementation of the arms embargo and the two additional measures, a travel ban and an asset freeze, imposed through the same resolution on individuals, to be designated by the Committee, on the basis of the criteria contained in the resolution. The Council, by its resolution [2035 \(2012\)](#), subsequently extended the applicability of the designation criteria to entities. By its resolution [1672 \(2006\)](#), the Council designated four individuals as subject to the travel ban and asset freeze.
5. The enforcement of the arms embargo was strengthened in resolution [1945 \(2010\)](#), when the Security Council clarified the exemptions to that measure and made the sale or supply of arms and related materiel to the Sudan not prohibited by the embargo contingent upon the necessary end user documentation. The exemptions to the embargo were further updated in resolution [2035 \(2012\)](#).
6. By its resolution [1769 \(2007\)](#), the Security Council provided for an arms embargo monitoring aspect to the mandate of the African Union-United Nations Hybrid Operation in Darfur (UNAMID). In its resolution [2228 \(2015\)](#), the Council requested UNAMID to discontinue all other tasks not aligned to its revised strategic priorities, which did not include any reference to the above-mentioned monitoring role. The Council expressed deep concern over the proliferation of arms, in particular small arms and light weapons, and requested UNAMID to continue to cooperate in that context with the Panel of Experts on the Sudan in order to facilitate its work. The Council reiterated its concern and request in its resolution [2363 \(2017\)](#).
7. The Panel of Experts, operating under the direction of the Committee, was established by the Security Council in its resolution [1591 \(2005\)](#) to assist the Committee in monitoring the implementation of the measures and to act as a source of information for potential designations. The membership of the Panel, which initially consisted of four experts, was increased to five experts by the Council in its resolution [1713 \(2006\)](#). The Panel's mandate was renewed most recently in resolution [2340 \(2017\)](#).

8. Further background information on the Sudan sanctions regime can be found in the previous annual reports of the Committee.
