## Security Council Committee established pursuant to resolution [1718 \(2006\)](#)

### Letter dated 30 July 2013 from the Chargé d'affaires a.i. of the Permanent Mission of Sweden to the United Nations addressed to the Chair of the Committee

Pursuant to paragraph 25 of Security Council resolution [2094 \(2013\)](#), I have the honour to convey that Sweden and the other member States of the European Union have jointly implemented the additional restrictive measures against the Democratic People's Republic of Korea imposed by Security Council resolutions [2087 \(2013\)](#) and [2094 \(2013\)](#) by taking the following common measures:<sup>1</sup>

#### **Council decision 2013/88/CFSP of 18 February 2013 concerning restrictive measures against the Democratic People's Republic of Korea<sup>2</sup> amending Council decision 2010/800/CFSP of 22 December 2010<sup>3</sup>**

The Council decision takes note of the adoption of Security Council resolution [2087 \(2013\)](#) on 22 January 2013 and provides the basis for European Union-specific implementing measures within the scope of that resolution, notably:

- The designation of additional persons and entities (travel ban and asset freeze), in accordance with paragraph 5 (a) of Security Council resolution [2087 \(2013\)](#);
- The prohibition to supply, sell or transfer to the Democratic People's Republic of Korea additional items, materials, equipment, goods and technology which could contribute to the nuclear-related, ballistic missile-related or other weapons of mass destruction-related programmes of the Democratic People's Republic of Korea, in accordance with paragraph 5 (b) of Security Council resolution [2087 \(2013\)](#);
- The obligation to exercise vigilance and restraint regarding the entry into or transit through the territories of European Union member States with regard to individuals working on behalf or at the direction of a designated individual or entity, in accordance with paragraph 12 of Security Council resolution [2087 \(2013\)](#);

<sup>2</sup> *Official Journal of the European Union*, L 46, 19.2.2013, p. 28.

<sup>3</sup> *Official Journal of the European Union*, L 341, 23.12.2010, p. 32.

- The inclusion of a provision concerning no claims in connection with the performance of any contract or transaction affected by the measures decided on pursuant to relevant Security Council resolutions or measures of the Union or any member State in accordance with relevant decisions of the Security Council, in accordance with paragraph 13 of Security Council resolution 2087 (2013).

It is noted that certain provisions within the scope of Security Council resolution 2087 (2013) did not require new European Union measures for implementation as the Union had already taken similar measures on an autonomous basis at an earlier stage, in particular partially concerning paragraphs 5 (a) and 6 of Security Council resolution 2087 (2013). It is also noted that, in addition, Council decision 2013/88/CFSP includes further autonomous measures of the European Union in view of its deep concern about the violation by the Democratic People's Republic of Korea of international obligations.

With a view to ensuring the uniform application of those measures by economic operators in all member States, regulatory action at the level of the Union has been taken in order to implement the measures of Council decision 2013/88/CFSP falling under community competence.

**The following measure of Council decision 2013/88/CFSP falling within the scope of Security Council resolution 2087 (2013) is implemented by Commission Implementing Regulation (EU) No. 137/2013 of 18 February 2013<sup>4</sup> amending Regulation (EC) No. 329/2007<sup>5</sup> concerning restrictive measures against the Democratic People's Republic of Korea:**

- The designation of additional persons and entities, where it concerns the freezing of funds and economic resources.

**The following measures of Council decision 2013/88/CFSP falling within the scope of Security Council resolution 2087 (2013) are implemented by Council Regulation (EU) No. 296/2013 of 26 March 2013<sup>6</sup> amending Regulation (EC) No. 329/2007 concerning restrictive measures against the Democratic People's Republic of Korea:**

- The prohibition to supply, sell or transfer to the Democratic People's Republic of Korea additional items, materials, equipment, goods and technology which could contribute to the nuclear-related, ballistic missile-related or other weapons of mass destruction-related programmes of the Democratic People's Republic of Korea, including related technical assistance and brokering services and financing or financial assistance;
- The inclusion of a provision concerning no claims in connection with the performance of any contract or transaction affected by the measures decided on pursuant to relevant Security Council resolutions or measures of the Union or any member State in accordance with relevant decisions of the Security Council.

The above-mentioned Council regulations are binding in their entirety and are directly applicable in all member States of the European Union. Regulation (EC)
