Pursuant to paragraph 25 of resolution [2094 \(2013\)](#) of 7 March 2013, Switzerland has the honour to bring the following information to the attention of the Security Council Committee established pursuant to resolution [1718 \(2006\)](#) concerning the Democratic People's Republic of Korea, with regard to the implementation of the measures provided for in paragraphs 8 to 11, 15 to 17, 20, 23 and 30 of resolution [2094 \(2013\)](#).

On 3 July 2013, the Swiss Federal Council (the Government) amended the ordinance instituting measures against the Democratic People's Republic of Korea (hereinafter "the ordinance")^a with a view to implementing the United Nations sanctions established in resolution [2094 \(2013\)](#). The legal basis of the ordinance is the Federal Act of 22 March 2002 concerning the implementation of international sanctions (Embargoes Act).

Paragraph 8

Switzerland is enforcing the sanctions provided for in paragraph 8 (d) of resolution [1718 \(2006\)](#) by means of the ordinance (article 3). On 25 March 2013, the Federal Department of Economic Affairs, Education and Research listed under annex 3 of the ordinance the names of the three individuals and two entities listed in annexes I and II of resolution [2094 \(2013\)](#). There are now 12 individuals and 19 entities that are subject to article 3 of the ordinance.

Paragraph 8 of resolution [2094 \(2013\)](#) is implemented by an addendum to article 3 of the ordinance. The freezing of assets and economic resources and the ban on providing assets or economic resources, directly or indirectly, now also applies to individuals, companies and entities acting on behalf or at the direction of the individuals, companies and entities already listed in annex 3. Companies and entities owned or controlled by individuals, companies and entities listed in annex 3 or individuals, companies and entities acting on behalf or at the direction of individuals, companies and entities listed in annex 3 are also subject to these measures.

On 25 March 2013, the Federal Department of Economic Affairs, Education and Research listed under annex 3 of the ordinance the names of the three individuals listed in annex I of resolution [2094 \(2013\)](#). There are now 12 individuals that are subject to article 5 of the ordinance.

^a The text of the ordinance is on file with the Secretariat and is available for consultation.

The ability to expel nationals of the Democratic People's Republic of Korea from Swiss territory is not covered by the ordinance, as Switzerland already has several legal instruments that provide for that possibility.

Paragraph 11

The new article 3, paragraph 2, of the ordinance provides for the freezing of assets and economic resources that are connected with the nuclear or ballistic missile programmes of the Democratic People's Republic of Korea or other activities prohibited by the ordinance.

The new article 5 (a) of the ordinance prohibits Swiss Export Risk Insurance (SERV) from undertaking to cover operations that could contribute to the nuclear or ballistic missile programmes of the Democratic People's Republic of Korea or other activities prohibited by the ordinance or that could facilitate evasion of measures imposed by the ordinance.

Paragraph 16

The ability to inspect all cargo in accordance with paragraph 16 of resolution [2094 \(2013\)](#) is not covered by the ordinance, as Switzerland already has other legal instruments that provide for that possibility.

Paragraph 17

Paragraph 17 of resolution [2094 \(2013\)](#) does not apply to Switzerland as it is a landlocked country.

Paragraph 20
