**Report of Finland on the implementation of Security Council
resolution [2397 \(2017\)](#)**

As communicated in the midterm report submitted by Finland on 26 August 2019 ([S/AC.49/2019/46](#)), Finland and the other States members of the European Union have jointly implemented the measures against the Democratic People's Republic of Korea provided for in paragraph 8 of Security Council resolution [2397 \(2017\)](#) by adopting Council Decision (CFSP) 2018/293 of 26 February 2018, amending Decision (CFSP) 2016/849 concerning restrictive measures against the Democratic People's Republic of Korea.

The Government of Finland stated in the midterm report that it was not aware of the presence within its jurisdiction of any nationals of the Democratic People's Republic of Korea covered by resolution [2397 \(2017\)](#). The present report confirms that there are currently no nationals of the Democratic People's Republic of Korea residing in Finland.

The Government of Finland remains strongly committed to continuing the effective implementation of resolution [2397 \(2017\)](#).
