Security Council Committee established pursuant to resolution 1970 (2011) concerning the Libyan Arab Jamahiriya

Note verbale dated 26 June 2011 from the Permanent Mission of Sweden to the United Nations addressed to the Chair of the Committee

The Permanent Mission of Sweden to the United Nations has the honour to inform the following.

Sweden and the other member States of the European Union have jointly implemented the restrictive measures against Libya imposed by Security Council resolutions 1970 (2011) and 1973 (2011) by taking the following common measures:¹

- Council Decision 2011/137/CFSP of 28 February 2011 concerning restrictive measures in view of the situation in Libya² as amended by Council Decision 2011/178/CFSP of 23 March 2011³ and Council Decision 2011/332/CFSP of 7 June 2011⁴

The Council Decision set out the European Union's commitment to the implementation of all the measures contained in Security Council resolutions 1970 (2011) and 1973 (2011), and provides the basis for European Union-specific accompanying measures within the scope of the resolutions, notably:

- (a) Export ban on equipment that might be used for internal repression;
- (b) Autonomous designations under the visa ban and the asset freeze, to be decided by the Council of the European Union, of persons and entities involved in serious human rights abuses in Libya, including by being involved in attacks, in violation of international law, on civilian population and facilities.

¹ All common measures are published in the Official Journal of the European Union, which can be consulted through the following web pages: <http://eur-lex.europa.eu/JOIndex.do?ihmlang=en> (published issues) and http://eur-lex.europa.eu/RECH_menu.do?ihmlang=en (search form).

The Council adopted a number of implementing Decisions⁸ and Regulations⁹ in order to include additional persons and entities in the list of persons and entities subject to European Union autonomous restrictive measures.

- Council Regulation (EC) No. 539/2001 of 15 March 2001 (and its subsequent amendments)¹⁰

This Regulation requires (among others) nationals of Libya to be in possession of a visa when entering the European Union.

As regards restrictions on admission (visa ban), Sweden's general aliens legislation, together with Council Decision 2011/137/CFSP and Regulation (EC) No. 539/2001, provides the basis for refusal of admission and denial of requests for a visa.

Implementation of the arms embargo (supply, sale and transfer to Libya) is carried out through the general Swedish arms export legislation (Military Equipment Act 1992:1300).

The ban on procurement of arms from Libya will be implemented through a national ordinance, yet to be adopted in agreement with Parliament.
